CASEY HOUSE: Physicians and Advanced Practice Clinicians HIV/AIDS Health Care Seminar Series

Maintaining Excellence in Health Care for People Living with HIV/AIDS

All seminars will be held in the Casey House 3rd Floor Conference Room – 9 Huntley St.

Registration is required at registration@caseyhouse.on.ca

Space is limited, please register early.

Working with the Ambivalent Patient

Tim Guimond, MD, MSc, FRCP(C)

Dr. Guimond is a psychiatrist working for the Concurrent Disorders Capacity Building Program at the Centre for Addiction and Mental Health and a consulting psychiatrist to Casey House, where he specializes in substance use and concurrent disorders. He is a Lecturer at the University of Toronto and a Member of MINT (Motivational Interviewing Network of Trainers).

Consider the complexities of caring for patients who are ambivalent about treatment.

Tuesday, November 29th, 2011 from 5:30 - 7:00pm*

Pain Management in the Homeless and Hard to House Patient

Stephen W. Hwang, MD, MPH

Dr. Hwang's research focuses on the relationship between homelessness, housing, and health. He is a Staff Physician in General Internal Medicine and a Research Scientist in the Centre for Research on Inner City Health at St. Michael's Hospital. He is an Associate Professor and Director of the Division of General Internal Medicine at the University of Toronto.

Access an informed view about the complex challenges of pain management when housing is a concern.

Wednesday, February 1st, 2012 from 5:30 – 7:00pm*

The Ethical Implications of Working with the Cognitively Impaired Patient

Steve Abdool, RN, MA, PhD (C)

Steve Abdool has worked in Mental Health Ethics for almost two decades. He is a Bioethicist at the University of Toronto Joint Centre for Bioethics and St. Michael's Hospital; and Staff Bioethicist and Director, Regional Centre for Excellence in Ethics, Homewood Health Centre in Guelph, Ontario.

Discuss the ethical concerns when working with patients living with cognitive impairment.

Tuesday, April 24th, 2012 from 5:30 - 7:00pm*

Program Director: Dr. Ann Stewart, Medical Director, Casey House

Program Lead: Maureen Mahan, Education Development Coordinator, Casey House

Casey House, a world-renowned specialty hospital founded in 1988, provides a continuum of care for persons affected by HIV/AIDS through a comprehensive range of palliative and supportive care services.

In keeping with CME standards, the seminars will include an interactive component of 25 minutes.

*** Dinner will be provided.**
