

**Art with Heart** - The premier auction of Canadian contemporary art, benefitting Casey House, a specialty HIV/AIDS hospital.

### **2012 Art Submission Guidelines**

All Canadian contemporary art donations for Art with Heart are considered and selected by an independent Art with Heart Curatorial Committee. The Curatorial Committee is comprised of 15 members that includes artists, gallery representatives and art buying professionals. Casey House staff does not participate in the curatorial process and remains at arm's length to this committee of experts. **All submissions for Art with Heart 2012 must be received by March 30, 2012 in order to be considered.** The Curatorial Committee's final selections will be confirmed to you in writing by May 1, 2012.

If you would like to donate a work of Canadian contemporary art for consideration, please forward an e-mail with complete details regarding the piece including title, date, size, medium and estimated value as well as an electronic image to Cheryl Midgley (cmidgley@caseyhouse.on.ca). Please also advise if you are represented by a gallery, and if you would consider yourself as an emerging, mid-career or established artist.

Once you have submitted your work for consideration we ask that you do not sell the piece until you have been advised of the Curatorial Committee's decision by May 1, 2012. If your piece has been selected for the 2012 collection it will need to be ready for pick-up by May 31, 2012. This is necessary to allow for production of the auction catalogue and website.

All artists selected for inclusion in Art with Heart 2012 will have the option to either receive a charitable tax receipt for 100% of the estimated value (as determined by a third-party art appraiser) or a consignment payment of 25% of the hammer price at auction.

Art with Heart 2012 is scheduled for Wednesday, October 17, 2012 at The Carlu, Toronto.
