

Casey House

Feedback Form – Providing Services to People with Disabilities

Casey House Hospice provides exemplary treatment, support and palliative care for people affected by HIV/AIDS, in collaboration with our communities.

In fulfilling our mission, Casey House strives at all time to provide its services in a way that respects the dignity and independence of people with disabilities. We are also committed to giving people with disabilities the same opportunity to access our services and allowing them to benefit from the same services, in the same place and in a similar way as other individuals.
